5BARz™ Road Warrior is the first affordable, plug 'n play mobile phone booster for your car, home, office, or hotel room. 5BARz is portable and powerful enough to maintain your cell connection anywhere you can plug in.

- No installation – just plug in 5BARz when you need a boost
- Faster internet services
- Stronger signals and better reception
- Highly reliable and affordable
- Works for all nationally advertised cell phone coverage plans*
- Works with your cell phone, PDA, and data enabled laptops

**Always on! Always connected, Anytime, Anywhere
at home, at work, on the road...5BARz guaranteed**

*5BARz Road Warrior is the one product that promises coverage for all nationally advertised mobile phone carriers – except “iDEN” phones used by Nextel, Southern, UNC, MiKE (Canada) and WiMax.

Work On. Play On. Search On. Drive On. Always On!

5BARz Road Warrior™ from CellLynx™ turns dread zones into productivity zones by boosting your cellular signal. 5BARz keeps you connected and protected at home, in the office, or on the go.

Work On. Boost productivity with reliable, continuous voice and data connection.

- Downtown, Uptown. Home office or high-rise.
- Experience clear conference calls, reliable email delivery, faster downloads.

Play On. 5BARz powers your playtime with uninterrupted access to mobile entertainment.

- Get the tunes, tones, videos, and games you enjoy, every time.

Search On. Stay connected to the information that gets you where you need to go.

- Get directions, find a movie, shop as you go.

Drive On. 5BARz eases your commute and eliminate drive-time frustration.

- Stay connected to friends and family. Dial once and talk until you are ready to hang up.

Always On! Always connected. Anytime. Anywhere.
